

DODSONS KILLENAIR'S COMFORT CLUB:

HVAC MAINTENANCE MEMBERSHIP PLAN

The Dodsons Killenair's Comfort Club Comfort Club is designed to provide homeowners with year-round comfort, peace of mind, and savings through regular maintenance, priority service, and exclusive benefits. Below is the breakdown of our three membership tiers: Silver, Gold, and Platinum.

WHY JOIN THE DODSONS KILLENAIR'S COMFORT CLUB?

Your HVAC system is the heart of your home's comfort, quietly working behind the scenes to keep you warm in the winter, cool in the summer, and breathing clean, healthy air year-round. But like any other vital system, it requires consistent care to perform at its best. That's where the Dodsons Killenair's Comfort Club comes in.

PROTECT YOUR INVESTMENT

Your HVAC system is one of the most expensive appliances in your home, and regular maintenance can significantly extend its lifespan. Without proper care, minor issues can quickly snowball into costly breakdowns, leaving you uncomfortable—and unprepared—for expensive repairs or even premature replacement.

SAVE MONEY AND ENERGY

Did you know that a well-maintained HVAC system operates up to 30% more efficiently than a neglected one? That means lower energy bills and more money in your pocket. Plus, with exclusive repair discounts and included services, Dodsons Killenair's Comfort Club members enjoy unmatched savings all year long.

STAY AHEAD OF EMERGENCIES

Unexpected HVAC breakdowns are not only stressful—they often happen at the worst possible time. With priority scheduling and proactive seasonal tune-ups, our membership plan ensures your system is ready to handle whatever Mother Nature throws your way.

ENJOY PEACE OF MIND

Life gets busy. It's easy to forget when your HVAC system needs a checkup or filter change. When you're a Dodsons Killenair's Comfort Club member, we take care of the scheduling for you, ensuring your home stays comfortable without you lifting a finger.

BREATHE CLEANER, HEALTHIER AIR

Your HVAC system doesn't just regulate temperature—it also filters the air you breathe. Regular maintenance reduces dust, allergens, and pollutants, improving indoor air quality for a healthier living environment.

WHO NEEDS THE DODSONS KILLENAIR'S COMFORT CLUB?
